

## EMERGENCY BLANKET

**\$3.20**

Keep Your Heat to Yourself

---

**SKU:** 04-101

## PRODUCT DESCRIPTION

The Emergency Blanket is made from a thermal, reflective material designed to reduce heat loss, thereby helping prevent or counter hypothermia in emergency situations. The emergency blanket is ideal for thermal control and a must for emergency survival. Its compact, lightweight configuration makes it ideal when space is at a premium.

Our emergency blanket follows the MARCH™ medical gear mnemonic, which is a color-coded, trauma treatment system distinctly packaged with icon identifiers for easy access and identification.

## PRODUCT INFO

- Reduces convective heat loss
- Reflective surface inhibits losses caused by thermal radiation
- Reflects 90% of radiated heat back towards the body
- Provides shade and protection in hot environments

## SPECIFICATIONS

- PN: 04-101
- Unit of Issue: Each
- Single Patient Use
- Waterproof
- Windproof
- Not made with natural rubber latex
- Specifications:

- Packaged Dimensions: 4" x 4"
- Weight: 2.2 oz
- Made in USA
