The EZ-IO® G3 Power Driver Hard Case protects and preserves the life of the EZ-IO G3 Power Driver and associated intraosseous access supplies.

**PRODUCT INFO**

The EZ-IO® G3 Power Driver Hard Case protects and preserves the life of the EZ-IO G3 Power Driver and associated intraosseous access supplies. This rigid case is uniquely molded to securely store and transport the G3 Power Driver. The inside of the case features insertion and removal instructions for quick reference. The case also features a simple latch system that is easy to open or close. The exterior of the case is textured for improved grip and feel, and features a large logo to allow the user to easily identify the contents of the case.
