

## FROGFUEL™ LIQUID PROTEIN

**\$46.50**

World-class supplement for operators

---

**SKU:** 60-024-BY

### PRODUCT DESCRIPTION

FrogFuel™ Liquid Protein is a rapidly absorbed, liquid protein supplement that delivers 15g of enzyme-hydrolyzed collagen protein for maximum health benefits. Developed by two Navy SEALs, FrogFuel™ is a world-class supplement for operators, athletes and anyone with an active lifestyle. It was designed as an advanced, zero sugar, premium protein that was pre-digested with fruit enzymes and fortified with 22 Amino Acids, including Taurine. FrogFuel™ is qualified as a medical food by the FDA, and contains no sugar, fat, carbs, gluten, cholesterol, lactose or other excess ingredients. FrogFuel™ Liquid Protein is offered in a delicious berry flavor, and is available in two options: Energized or Regular.
