

FROGFUEL™ ULTRA LIQUID PROTEIN

\$46.50

Premium protein supplement

SKU: 60-224-MB

PRODUCT DESCRIPTION

FrogFuel™ Ultra is a rapidly absorbed, liquid protein supplement that delivers 8g of enzyme-hydrolyzed collagen protein and 10g carbohydrates for maximum health benefits. FrogFuel™ Ultra is a premium protein supplement that was designed as a pre-workout and endurance supplement. It contains electrolytes for hydration as well as being fortified with 21 Amino Acids, including Beta-Alanine and Citrulline Malate. The amino acid profile can strengthen the tendons, joints, and ligaments, and boost the body's immune system; the hydrolyzed collagen protein aids in rapid wound healing. FrogFuel™ is qualified as a medical food by the FDA, and contains no fat, carbs, gluten, cholesterol, lactose or other excess ingredients. FrogFuel™ Ultra is offered in a delicious mixed berry flavor, in two options: Energized or Regular.
