

**MOJO® B-CON MINI****From: \$144.00**

Minimal Space With Maximum Care

SKU: N/A**PRODUCT DESCRIPTION**

The B-Con Mini is a tactically stocked trauma kit. Its compact design is easily accessible during stressful situations. The B-Con Mini is intended for initial responders as a means of immediate treatment following traumatic injury. It uses MARCH™ medical gear in a color-coded treatment system that targets the five leading causes of preventable death following trauma. This kit is offered in three different configurations to accommodate the needs of any department or situation.
