

MOJO® BELT BLEEDER KIT (WALLET)

From: \$82.45

Hemorrhage Control Within Arms Reach

SKU: 88-102-01

PRODUCT DESCRIPTION

Mojo® Belt Bleeder Kit (Wallet) is a compact kit in a nylon, belt pouch designed for the treatment of massive hemorrhage; the leading cause of preventable death following traumatic injury. It contains MARCH™ medical gear, which is a user-friendly, trauma treatment system distinctly packaged with color-coded icon identifiers. These kits include a tourniquet, Celox™ RAPID hemostatic gauze and pair of exam gloves. This wallet style pouch can be worn on standard 2" wide utility or gun belt. The Mojo® Belt Bleeder Kit (Wallet) comes in black and is available in two different content configurations to accommodate your departmental needs.
