

**MOJO® INITIAL RESPONDER****From: \$232.00**

SKU: N/A**PRODUCT DESCRIPTION**

The Mojo Initial Responder is a tactically stocked trauma kit. Its mid-size, hand-held strap design makes it easy to carry and access medical gear during stressful situations. The Initial Responder is intended for on-site personnel or individuals in emergency situations. It uses MARCH™ medical gear with icon-identifiers in a color-coded treatment system that addresses the five leading causes of preventable death following trauma. The Initial Responder is offered in two different configurations to accommodate the needs of any department or situation.
