**SKU: N/A****PRODUCT DESCRIPTION**

The Mojo Public Trauma Kit is a tactically stocked trauma kit. Its secure, pocket-size design is packed with MARCH™ medical gear that can be easily accessed during stressful situations. The Public Trauma Kit is intended for on-site, initial responders as a means of immediate treatment following traumatic injury. It uses MARCH™ medical gear with icon-identifiers in a color-coded treatment system that addresses the five leading causes of preventable death following trauma. The Public Trauma Kit is offered in three different configurations to accommodate the needs of any department or situation.
