Tactically stocked trauma kit

SKU: N/A**PRODUCT DESCRIPTION**

The Mojo Responder Pack is a tactically stocked trauma kit for First Responders. Its sleek, backpack design makes products easily accessible during high-risk situations. The Responder Pack is intended for first responders and rescue task force members in emergency situations. It uses MARCH™ medical gear with icon-identifiers in a color-coded trauma treatment system that addresses the five leading causes of preventable death following trauma. The Responder Pack is offered in two different configurations and color variations to accommodate the needs of any department or situation.
