

MOJO® VEHICLE MEDICAL BAG

From: \$1,600.00

Bring Your Mojo for the Long Haul

SKU: 85-300

PRODUCT DESCRIPTION

The Mojo® Vehicle Medical Bag is the ultimate “point-of-wounding” vehicle-borne aid and litter kit with capabilities usually found in a Casualty Collection Point (CCP). It is a modular solution that offers versatile transport capability while matching advanced medical solutions. The bag has storable shoulder straps with four robust vehicle anchors, allowing for easy, immediate use and deployment from outside the vehicle. Mojo® Vehicle Medical Bag uses MARCH™ medical gear in a user-friendly, color-coded trauma treatment system distinctly packaged with icon identifiers to treat the five leading preventable causes of death. It is made of 1000D Cordura®, and available with three different content configurations in four color options.

- Bag Only - PN 85-300
- Basic- PN 85-301
- Intermediate- PN 85-303
- Advanced- PN 85-305

PRODUCT INFO

Product Attributes

- Versatile storage
- Ergonomic design is well balanced and worn comfortably
- Litter provides maximum tactical evacuation capability
- Rugged high performance textile

Clinical Benefits

- Closes the medical equipping capability gap at the Squad Level
- Systematic access and full visualization of your life saving equipment ensures the smoothest casualty intervention
