

SHEARS RETRACTOR

\$17.00

Keep It In Reach

SKU: 09-500

PRODUCT DESCRIPTION

The Shears Retractor will ensure you never lose your shears again by attaching it to either the MOLLE or inside a pocket with its threaded stud mount. The stainless steel threaded pin (stud) penetrates webbing or material and threads into the back of the retractor. The Shears Retractor is the perfect solution for tethering your shears to allow full use while preventing loss.
