

WATER-JEL BURN DRESSINGS

From: \$307.00

Tactical Burn Care

SKU: N/A

PRODUCT DESCRIPTION

Water-Jel Burn Dressings are designed specifically for the U.S. Military. We pride ourselves in serving the brave men and women that serve our country.

The custom made camouflage, sterile, military dressings stop the burning process, cool the burn, relieve pain, and protect against airborne contamination.

The non-adherent dressings include more rugged, subdued packaging with night vision compatible tabs, prevent re-ignition of white phosphorus, and have a 5-year shelf life from date of manufacture. Designed for front line point-of-injury care.
